

## **We are FRICKE**

(Sung to the tune of "We are Family")

(Lyrics revised by Marie Falconer-Heitzman & Vanessa Bell- LaSota)

We are **FRICKE**

I got all my sisters with me

We are **FRICKE**

Get up Everybody and Sing!

Everyone can see us together,

As we **DRIVE** on by...

\*\*\*\*(shout) **AND!**\*\*\*\*\*

And we **fly** just like birds of a feather

I won't tell no lie...

All the people around us they say, Can they be that close....

Just let me state for the record, We giving **PINK** in a Family dose.

We are **FRICKE**

I got all my sisters with me

We are **FRICKE**

Get up everybody and sing

Living life is fun and we've just begun to **take our flights, to the highest heights,**

High hopes we have for the future and our goals in sight

**NO!** No, we don't get down

Here's what we call the Golden Rule: have faith in you and the things you do

You won't go wrong, oh no, this is our family jewel!

We are **FRICKE**

I got all my sisters with me

We are **FRICKE**

Get up everybody and sing.
